Tech: Good morning. Customer Service. How can I help you?

Customer: I got a person.

Tech: Hello.

Customer: Hello. My name is Heather [UNINTELLIGIBLE] and I didn't have a phone for over a month, and I had to get rid of the BlendJet that I had.

Tech: BlendJet...

Customer: [UNINTELLIGIBLE]

Tech: ...We are not BlendJet. Sorry. I'm sorry...

Customer: [UNINTELLIGIBLE]

Tech: ...You're calling. I'm sorry. You're calling Blendtec company.

Customer: I'm calling BlendJet. Huh?

Tech: We are not BlendJet. We are Blendtec. This is a different company.

Customer: Oh my God. Alright well, no matter what, y'all's hold button is annoying as hell. Like I literally got told to take the phone outside 'cause it was driving everybody nuts in the house.

Tech: Yeah. You'll have to call...

Customer: I'll call BlendJet.

Tech: Yeah. The phone number for them is a different one that if you want I can give it to you.

Customer: Yeah. Yeah. I'll pull it up on Google. I'm just trying to get my money back for that stupid thing that blew up.

Tech: Okay. Sure. Okay. That's fine.

Customer: Alright, thank you.

Tech: Have a good day.
